

Transportation Providers Packet

for the Douglas County Transportation Voucher Program

How to Request a Trip:

1. Call the company at least two (2) days prior. Trip requests made further in advance are always preferred.
 - Explain any needed accommodations, extra stops, or wait time for the trip.
 - A caregiver can always ride with you free of charge.
2. If you are answered by voicemail, leave your name, phone number, and trip details. The company will call back within 24-48 hours.
3. The company will confirm your trip and the trip pricing via phone call.
 - All trip requests are made according to availability. If a company is not able to accept your trip request, try another company on the list.
