To Hold  
A Location and Design Public Information Open House  
For P.I. No. 0012877  
Douglas County**

On Tuesday, November 12, 2019 at Boundary Waters Park, 5000 GA-92, Douglasville, GA 30135, the Douglas County Department of Transportation in coordination with Georgia Department of Transportation will hold a Public Information Open House concerning the project listed above.

This project proposes to construct an approximately 11-mile shared-use path which begins at an existing concrete trail in Boundary Waters Park, and will follow a pre-existing earthen trail through wooded rolling terrain, occasionally along the Chattahoochee River where possible, towards Fairburn Road; then will head in a northerly direction alongside Riverside Parkway, will cross over Sweetwater Creek with a new pedestrian/bike bridge and will continue up Rockhouse Road along the west side of the road and ending at the intersection of Old Factory Shoals Road and Factory Shoals Road within Sweetwater Creek State Park. The proposed alignment tries to follow existing trails, road beds, easements with careful attention to avoid or minimize impacts to environmental resources.

The purpose of this Location and Public Information Open House is to provide the public with an opportunity to view the project, ask questions, and comment on the project.

The Open House will be held from 5:00 p.m. to 7:00 p.m. It will be informal, and the public is invited to attend anytime during these hours. There will be no formal presentation. A court reporter will be available to allow the public an opportunity to make verbal comments about the project.
