### **DCTT INVITES ALL TO THE RIBBON-CUTTING CEREMONY FOR NEW WAYFINDING SIGNAGE AT BOUNDARY WATERS RECREATIONAL COMPLEX**

*A NEW LOOK FOR ONE OF DOUGLAS COUNTY'S MOST POPULAR ATTRACTIONS*

**Douglas County, GA, August 26, 2022** – Douglas County Travel & Tourism, Inc. (DCTT) invites the public to a ribbon-cutting ceremony at Boundary Waters Recreational Complex on Friday, September 9, 2022, at 10:30 AM, to celebrate new wayfinding signage for the park.

“DCTT is pleased to present the new Boundary Waters Recreational Complex wayfinding signs to the Douglas County Board of Commissioners, Parks and Recs Department, tourists, and guests. With the use of Tourism Product Development funds, DCTT is proud to play a part in the park’s continued development.”, says Dorsha Simmons, DCTT Board President.

More than 20 new six-foot tall directional and informational signs allow park visitors and guests to navigate their way easily. The signs begin at Highway 92 in both directions and at the Highway 154/Highway 166 roundabout. Inside the park’s 244 acres, tourists and guests will find informational signs when entering and directional signs leading to the Aquatic Center, Sports Complex, Activity Center, and other amenities, including two-disc golf courses, equestrian trails, and playgrounds. Two new maps are located along the popular 12-mile multi-use trail at the start and midway.
